To Whom It May Concern:

I am writing on behalf of First Diversity Healthcare Group. As Senior Vice President of Human Resources for Cape Fear Valley Health System, we entered into a relationship in June of 2009. I found First Diversity Healthcare Group to be proactive in meeting our staffing needs. We increased the number of patient sitters from two when we began to approximately seventy today.

I strongly recommend First Diversity Healthcare Group as a solid and reliable company and experts in their field.

Please feel free to contact me if you have any further questions regarding First Diversity Healthcare Group.

Sincerely,

William B. Pryor
Senior Vice President of Human Resources
