Attn: Bruce Smith-Business Development Manager

Mr. Smith:

We would like to take the opportunity to thank you for all of your support and assistance you have provided for us throughout the year. In the Fall of this year, our company experienced a spike in business and First Diversity was instrumental in supporting us during this busy time.

We would especially like to convey our sincere thanks and appreciation to Erick Collins, Leann Agee, Jessica and Felicia for their daily assistance. They have all been very professional, courteous and prompt in assisting us and worked diligently until our staffing needs were met. If the quality of a company's employees is an indication of future success, then First Diversity should have a very bright future.

We look forward to working with you in the future and would highly recommend First Diversity to other employers who are looking for a responsive, professional and dependable staffing agency.

Sincerely,

Stratosphere Quality, LLC
